

N•DURE®

**A PREMIUM
NON-STERILE
PEAT INOCULANT
FOR
PULSE**

**NOT A
PLANT FOOD
PRODUCT.**

PRODUCT NO: 2968
(6) PACKAGES PER CASE
54 CASES PER PALLET

POUNDS TREATED (CASE):
9,000 LBS (4082 KG)

NET WEIGHT PER PACKAGE:
4 LBS 11 OZ (1.86 KG)

EACH PACKAGE INOCULATES
1,500 LBS (680 KG) OF SEED.

PRODUCT NO: 2967
(60) PACKAGES PER CASE
54 CASES PER PALLET

POUNDS TREATED (CASE):
6,000 LBS (2722 KG)

NET WEIGHT PER PACKAGE:
5 OZ (141.7 G)

EACH PACKAGE INOCULATES
100 LBS (45 KG) OF SEED.

Contains: *Rhizobium leguminosarum biovar viceae*

Registration Number 2017054A Fertilizers Act

This chemical does not meet the hazardous criteria set forth by the 2015 WHMIS standards.

KEEP OUT OF THE REACH OF CHILDREN

Please read all directions and specifications carefully before using this product. This product may contain fungi and bacteria, and may cause adverse effects to individuals who are allergic to certain micro-organisms including moulds, and also to immune deficient individuals. Avoid exposure through inhalation, or to open wounds and eyes. Use standard protective clothing and equipment including gloves, safety glasses and a NIOSH or MSHA approved nuisance dust mask during product handling and storage. Use this product in a well ventilated area.

This product contains live organisms that are sensitive to chemicals and harsh environmental conditions.

MINIMUM GUARANTEE

This inoculant guarantees a minimum of 200 million (2×10^8) CFU *Rhizobium leguminosarum biovar viceae* per gram.

FIRST AID

- Eyes: Flush eyes with water for at least 15 minutes;
- Skin: Wash with soap and water;
- Inhalation: Remove person to fresh air. Get medical attention if irritation persists.

DIRECTIONS FOR APPLICATION

- Use N-DURE to inoculate only the legume(s) designated on this package.
- Label seed with the same expiration date if intended for resale.
- Consult your Verdesian representative for a list of compatible products.

SLURRY METHOD APPLICATION

- Make a suspension of 71 g (2.5 oz) N-DURE in 250 mL (8.5 fl oz) of water for each 22.7 kg (50 lbs) of seed to be treated; mix the dry seed and inoculant suspension thoroughly until the seed is uniformly coated.
- This method should be done in a container outside the planter.
- Allow 1 to 3 minutes for mixture to dry and then plant as soon as possible.

DRY APPLICATION METHOD

- N-DURE can also be applied directly onto the seed. Mix seed and inoculant thoroughly until seed is uniformly coated. Layering seed and inoculant will aid in this process.

- Applying the inoculant dry is also recommended for seed that is pre-treated with fungicide. However, maximum seed adhesion will not be obtained by applying this product dry.

Double inoculate if soils have never been host to this specific legume. This can be accomplished through application N-DURE in combination with an alternate Verdesian Life Sciences product labeled for use on this specific legume. Make application of the second inoculant product in accordance with its label directions.

STORAGE/DISPOSAL RECOMMENDATIONS

- Store in a cool, dry place out of direct sunlight.
- Do not freeze.
- Store product between 4°C and 16°C.
- Open package only when ready to use; plant inoculated seed within 24 hours of opening package.
- Use before expiration date.
- Small amounts of product which cannot be used according to the label instruction may be disposed of in a landfill.

LIMITED WARRANTY

Verdesian Life Sciences U.S., LLC warrants that this Product conforms to the specifications set forth on the label. This Product is reasonably fit for the purpose stated on the label when used in accordance with the label directions and instructions under normal conditions of use.

VERDESIAN NEITHER MAKES, NOR AUTHORIZES ANY AGENT, REPRESENTATIVE OR THIRD PARTY TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Neither the warranty of merchantability nor fitness for a particular purpose, expressed or implied, extends to the use of this Product contrary to label instructions or under abnormal conditions or under conditions not foreseeable to the Seller or Verdesian.

Limitation of Remedies. The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories), shall be limited to, at Verdesian's election, one of the following: (1) replacement of the amount of product used; or (2) refund of the purchase price paid for the product; provided that Verdesian's provision of (1) or (2) is conditioned on its first being promptly notified of such loss or damage in writing. Verdesian shall not be liable to the buyer or any other party claiming by, through, or under the buyer for any other losses or damages resulting or relating to this product, including but not limited to any direct, indirect, special, punitive, economic, incidental or consequential damages or loss of profits, whether in contract, tort or otherwise. Verdesian neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale, storage, use or handling of this product other than expressly set forth herein.
