

# sterics®

A VERDESIAN NUE SOLUTION™

**Sterics® delivers soil-applied nutrients with patented chemistry that allows for phosphorus, potassium and sulfur to enter and stay available for longer periods in the soil.**

## CHEMISTRY

- Corrects phosphate, potassium, sulfur & magnesium deficiencies
- Delay the chemical fixation reactions between phosphorus, potassium and sulfur in alkaline or acidic soils
- Low salt index for excellent plant safety
- 100% Orthophosphate available

## KEY BENEFITS

- Effectively for vegetable crops, row crops, deciduous fruit and nut trees, citrus, avocados, grapes, melons, ornamentals, turf, pasture, range, grasses
- Better results using less phosphorus, potassium or sulfur
- Plant available for longer periods in the soil
- Increases the availability of phosphorus in starter fertilizers, enhancing the nutrient uptake of young growing plants
- Effectively applied through all irrigation systems

## HANDLING AND APPLICATION

- Compatible with acid-based fertilizers and other plant nutrients
- Tolerates most hostile soil and water
- Tank mix solution is easier on equipment

## FORMULATIONS

- Environmentally friendly
- Dry and liquid for fertigation and in-furrow application

### REGION

Northwest US, Western US

### CROP

Row and Specialty Crops

### TIMING

Season-long

### RATE

For Minor Deficiency: 1-5 Gal. per acre  
For Moderate Deficiency: 5-15 Gal. per acre  
For Severe Deficiency: 15-25 Gal. per acre

### PACKAGE

2.5 Gal., or 265 Gal. Tote Bulk,  
25 Lb. Bag or 50 Lb. Bag Bulk
