

Steric® Micro Boron 2%™

GUARANTEED ANALYSIS

Boron (B).....	2.00%
Derived from boric acid.	

F002331

WARNING

Causes skin irritation and serious eye irritation.

PRECAUTIONARY STATEMENTS

Wash face, hands and any exposed skin thoroughly after handling. Wear eye/face protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF ON SKIN: Wash with plenty of soap and water. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice/attention.

GENERAL RECOMMENDATIONS

This soil nutrient is an effective, readily available for soil and foliar application. It may be applied in water or mixed with most liquid fertilizers, micronutrients, or pesticides.

Contact your Certified Crop Advisor for specific recommendations for your area.

DIRECTIONS FOR USE

Mixing Sequence: 1. Water 2. Product 3. Other chemicals

Use as least 1 gallon of water for each pint of product applied to the crop.

Foliar Application: Apply with enough carrier to cover all foliage. Early morning or late evening applications give best results. The product is not easily translocated within the plant, therefore multiple foliar applications at low rates during the growing season are most effective.

Soil Application: Soil-applied product must be moved into the root zone to be absorbed by the plant. This can be accomplished by irrigation, rainfall, or tillage. For soil use in tree crops, incorporate product into the soil by irrigation or tillage within the drip line.

WARNING

This product contains boron which may be injurious to certain crops. Contact your local county agent or field consultant for specific information.

APPLICATION RATES

FOLIAR APPLICATIONS

Fruit and Nut Crops

Apples.....	2 to 4 quarts
Filberts.....	1 to 3 quarts
Grapes.....	4 to 10 quarts
Pears, Citrus, Cherries, Peaches, Plums, Prunes.....	4 to 8 quarts

Field Crops

Alfalfa, Sugar Beets.....	4 to 8 quarts
Canola, Cotton, Flax, Corn, Hops, Peanuts, Soybeans, Sugarcane, Sunflowers, and Wheat.....	2 to 4 quarts
Clover.....	4 to 6 quarts

Vegetable Crops

Beets, Carrots, Cucumbers, Peppers, Tomatoes, Potatoes, Peas, Lentils, and Beans.....	2 to 4 quarts
Broccoli, Cabbage, Cauliflower, Celery, and Melons.....	4 to 8 quarts

SOIL APPLICATIONS

Fruit and Nut Crops

Apples.....	2 1/4 to 6 gallons
Filberts, Grapes, Pears, Citrus, Cherries, Peaches, Plums, Prunes.....	2 to 4 gallons

Field Crops

Alfalfa, Sugar Beets.....	2 to 6 gallons
Clover, Corn.....	2 to 4 gallons
Soybean, Sugarcane.....	2 to 3 gallons
Canola, Cotton, Flax, Hops, Peanuts, Sunflowers, Wheat.....	1 to 2 gallons

Vegetable Crops

Beets, Carrots, Cucumbers, Peppers, Tomatoes, Potatoes, Peas, Lentils, and Beans.....	2 to 4 gallons
Broccoli, Cabbage, Cauliflower, Celery, and Melons.....	2 to 6 gallons

IRRIGATION SYSTEM APPLICATION

Applications can be made through certain irrigation systems including, but not limited to, low volume systems and typical agricultural sprinkler systems. The specific injection equipment and irrigation system must conform to all federal, state and local regulations pertaining to the fertilization of plants through an irrigation system. Accurate and properly calibrated injection equipment and an irrigation system that is operated at maximum distribution uniformity will help avoid plant injury and/or product ineffectiveness. For best results, with the exception of center pivot and lateral systems, apply this product toward the end of the irrigation set. Allow sufficient time for the product to be flushed completely out of the entire irrigation system prior to turning off the irrigation water. Contact your Certified Crop Advisor for specific recommendations for your area.

USE PRECAUTIONS KEEP OUT OF REACH OF CHILDREN

As with all materials, user should exercise precaution to avoid potential phytotoxicity including foliar burning. Precaution is advised if applying this product in combination with other materials, a jar test for compatibility is recommended before tank mixing with other products. The pH of any final spray solution should be checked and an appropriate amount of the solution be applied to a small area of the intended crop to ensure plant compatibility prior to the planned application. User assumes full responsibility to ensure product, equipment and plant compatibilities. **PERSONAL PROTECTIVE EQUIPMENT RECOMMENDED, AND INTENDED FOR AGRICULTURAL USE. CONSULT SAFETY DATA SHEET FOR FURTHER INFORMATION.** In the event of a spill, clean-up promptly using trained personnel and pre-planned procedures.

SUBSTRATE STORAGE AND DISPOSAL

Store locked up in a cool, dry place. Keep container tightly closed and out of direct sunlight during storage for extended amounts of time. Do not add water or other material to the container. Do not contaminate water, food, or feed by storage or disposal. Store above 32° F. Dispose of contents/container to an approved waste disposal plant.

WARRANTY

Verdesian Life Sciences U.S., LLC warrants that this Product conforms to the specifications set forth on the label. This Product is reasonably fit for the purpose stated on the label when used in accordance with the label directions and instructions under normal conditions of use.

VERDESIAN NEITHER MAKES, NOR AUTHORIZES ANY AGENT, REPRESENTATIVE OR THIRD PARTY TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Neither the warranty of merchantability nor fitness for a particular purpose, expressed or implied, extends to the use of this Product contrary to label instructions or under abnormal conditions or under conditions not foreseeable to the Seller or Verdesian.

Limitation of Remedies. The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories), shall be limited to, at Verdesian's election, one of the following: (1) replacement of the amount of product used; or (2) refund of the purchase price paid for the product; provided that Verdesian's provision of (1) or (2) is conditioned on its first being promptly notified of such loss or damage in writing. Verdesian shall not be liable to the buyer or any other party claiming by, through, or under the buyer for any other losses or damages resulting or relating to this product, including but not limited to any direct, indirect, special, punitive, economic, incidental or consequential damages or loss of profits, whether in contract, tort or otherwise. Verdesian neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale, storage, use or handling of this product other than expressly set forth herein.
