

IMPORTANT NOTICE: Read the entire label. Use only in accordance with the label instructions. If terms of limited warranty are unacceptable, return unopened product at once. Use in conjunction with a normal fertilizer program. Seed+ Liquid-OS is intended as a supplement to a regular fertilizer program and will not, by itself, provide all the nutrients normally required by plants.

LIMITED WARRANTY:

Cytozyme Laboratories, Inc. warrants that this product conforms to the description on the label within customary industry standards. The conditions and methods of handling are beyond the control of Cytozyme Laboratories, Inc. As such, this warranty extends only to the identity and composition at the time of delivery. Cytozyme Laboratories, Inc. expressly disclaims liability for any loss connected with misuse of this product. (This limitation of warranty is void where prohibited by law.)

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.htm>

APPLICATIONS: SHAKE WELL before using.

For seed application apply Seed+ Liquid-OS to the seeds before planting. Spray product as a fine mist to obtain thorough coating of seeds. Dilute with water if necessary to obtain uniform coating. Dilution may vary depending on spray equipment. Use as little water as possible. Mix seeds until they are dry and do not stick together. Keep seeds dry until planting. Plant seeds as usual.

CROP	APPLICATION RATES	
	fl oz/100 lb seeds*	ml/100 kg seeds**
Alfalfa	1	75
Barley, Oats, Rye	1	75
Corn	2	150
Cotton	3	200
Milo, Millets, Sorghum	3	200
Peanuts	1	75
Rice	1	75
Soybeans	1	75
Sugar Beets	2	150
Sunflowers	1	75
Wheat	1	75

To co-apply with other seed treatments a small test should be performed prior to large scale mixing to determine that no phytotoxicity or undesirable effects occur.

WARNING: Causes eye irritation.

PRECAUTIONARY STATEMENTS: Keep out of reach of children. Wash skin thoroughly after handling. Wear eye protection/face protection. Wear protective gloves. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice.

NOTICE: Application of fertilizers containing molybdenum may result in forage crops that contain levels of molybdenum that are toxic to ruminant animals. The proper use of soil and/or petiole test recommendations will minimize the risk of over-application of molybdenum.

STORAGE: Store in a clean, dry place at temperature between 40°F (5°C) and 110°F (43°C). Do not store in direct sunlight. Keep container tightly closed. Do not store diluted product.
