THIS PRODUCT CARRIES A ONE (1) YEAR SHELF LIFE.

This product does not meet the hazardous criteria set forth by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

KEEP OUT OF REACH OF CHILDREN

Read all label directions carefully before using this product. Use standard protective clothing and equipment including gloves, safety glasses and a NIOSH or MSHA approved nuisance dust mask during product handling and storage. See product SDS for additional health and safety information.

This product contains live organisms that are sensitive to chemicals and harsh environmental conditions.

DIRECTIONS FOR APPLICATION

- Apply PEANUT POWER directly onto the seed and mix seed and inoculant until the seed is uniformly coated.
- PEANUT POWER is formulated for dry applications and does not require the use of water or sticker.
- Layering the seed and inoculant will aid in the process of mixing.
- Apply PEANUT POWER at a rate of 4.0 oz. (1134 g) per 50 lbs. (23 kg) of seed.
- Use only on specified legume(s) designated on this package.
- Plant inoculated seed within 24 hours. Re-inoculate if the seed is not planted within 24 hours of application.
- Keep planter boxes clean and dry. Build-up of excess powder in boxes and seed tubes may plug seed tubes.

- Protect inoculated seed from sunlight or drying winds.
- Avoid contact with strong fertilizers.
- Chemically treated seed should be inoculated immediately before planting.

NEW LAND OR ADVERSE CONDITIONS

- Peanuts planted under adverse conditions, or on land that has not recently produced peanuts, benefit from increased amounts of inoculant.
- Apply PEANUT POWER at an increased rate or use PEANUT POWER with another inoculant product from Verdesian Life Sciences.

STORAGE/DISPOSAL RECOMMENDATIONS

- Store in a cool, dry place out of direct sunlight.
- Keep from freezing.
- Store between 40°F and 77°F (4°C and 25°C).
- Open package only when ready for use.
- Use before expiration date.
- Do not allow product or packaging to become wet, or exposed to high humidity.
- Do not store product in an area to be fumigated.
- Small amounts of product which cannot be used according to the label instruction may be disposed of in a landfill.
